Class Title: Foundation Paper Piecing Basics

Instructor: Jennifer Wagner

Company Name: Snapdragon Quilting

Registration Cost: \$45

Kit Cost: \$30

Description: Don't miss out on this engaging class where you'll explore foundation paper piecing. Why would anyone stitch fabric onto paper? The benefit is that the paper prevents the fabric from stretching, creating precise piecing, consistently sized blocks, and sharp points. Foundation paper piecing also allows for the creation of shapes that would be difficult to make using traditional piecing methods. In this class, you'll make beautiful hexagon blocks while I take you step-by-step through the technique and show you how to use the tools that make it easier. Choose your favorite from the three pattern options: Striped Hexis, Equilateral Gone Awry, and Nuts About You. This class is best suited for open-minded quilters of all skill levels who are ready to add a new technique to their repertoire. No previous experience with foundation paper piecing is needed. Bonus: We will explore block design!

Skill level: Beginner Friendly

Class Kit: Purchase kits from Instructor's website, emails with links will be sent after registration.

Kit includes: 3 Fat Quarters and a Hexagon Quilt Block Pattern that includes Paper Templates to make 20 blocks. (participants get to choose their pattern: Striped Hexi's, Equilateral Gone Awry, or Nuts About You)
